Contracted Insurance Companies

The benefit level paid to Pathology Consultants of New Mexico (PCNM) by the insurance company will depend upon each individual patient's insurance policy. In order to assist patients in receiving the highest level of benefits possible, PCNM has developed contractual arrangements with the following insurance companies:

- Amerigroup
- Blue Cross and Blue Shield
- Chaves County Indigent
- Cigna Healthcare
- Evercare
- Great West Healthcare
- HCH Administrators, Inc.
- Integrated Health Services
- Lincoln County Indigent
- Lovelace Health Systems
- Medicare (all)
- Molina
- Multiplan
- New Mexico Medicaid
- New Mexico Saluds (all)
- Omni Networks, Inc
- Railroad Medicare
- Senior Lovelace Health Plan
- State Coverage (all)
- Texas Medicaid
- Three Rivers Health Insurance
- Tricare/Triwest/VA

Please note that PCNM files all insurances

Presbyterian pays at 100% of the patient's benefit plan on all claims submitted by PCNM.

Per the New Mexico Held Harmless Law, if you are an in-network provider, your patient's laboratory services are covered at 100% of their benefit plan.

PCNM is conscious of the financial impact of healthcare on patients and is dedicated to providing the highest level of care at the lowest cost possible. Patients with financial/insurance concerns should contact PCNM for assistance, as several programs are available to assist them.
